Custom Doors Factory Direct to You

Wrought Iron Door Series

Crafted of Premium Quality Materials

- **Premium Door Material - Q235 Steel – for additional security**
- **Safer Thicker Door Panel – 50mm panels and 2.5mm-3mm frames providing stronger safer doors.**
- **Weather Resistant – For at least 10yrs ... Sprayed zinc and painted with acrylic finish.**
- **Enhanced Protection From Water Infiltration - Thresholds are a part of our 4-sided frame, they are galvanized hammered and welded.**
- **Weather Stripping Seals - Installed on all sides for watertight fit.**
- **Premium Insulation - Injected with polyurethane foam that expands inside the doors to fill all the air space**
- **Two Layers For Easy Cleaning and Security – First is the heavy iron work on the outside for security, and a second layer is safe tempered glass (clear glasses, rained glasses, frosted glass) that opens independently from the iron work to clean both sides of the glass panel.**
- **All Wrought Iron Doors Are Hand-Forged - By experienced craftsmen.**
- **Customize Your Design and Measurements. – Create your eyepopping beautiful personal statement.**
- **Factory Direct to You by Zen Global Supply - Prices include all Logistics – Tariffs – Duty - Customs Entry – Freight to your job-site or warehouse location. – Door to Door Red Carpet Service**
